

# TOWERS COMPARISON TABLE

Feature	Benefit	MT Series	MTE Series	MT/R Series	WEBS Series
<b>Steel Construction</b>	<ul style="list-style-type: none"> <li>Vandal resistant and robust build quality</li> </ul>	●	N/A	●	●
<b>Aluminum Construction</b>	<ul style="list-style-type: none"> <li>Light weight aluminum construction allows for single-person installation—providing labor savings</li> <li>Durable, multilayer powder coating achieves near-zero waste and VOC (volatile organic compound) emissions</li> <li>Vandal resistant and robust build quality</li> </ul>	N/A	●	N/A	N/A
<b>Modular Design</b>	<ul style="list-style-type: none"> <li>Modular construction provides for future reconfiguration or upgrades</li> </ul>	N/A	●	N/A	N/A
<b>Internal Mounting Panels/ Shelves</b>	<ul style="list-style-type: none"> <li>Internal mounting panels and shelves allow for easy mounting of power supplies, media adapters, or other third-party equipment</li> </ul>	○	●	○	●
<b>LED Blue Light</b>	<ul style="list-style-type: none"> <li>Deterrent</li> <li>Provides a sense of safety—indicates locations with call stations to request assistance</li> <li>Flashes when call station is activated to allow public safety or first responders to quickly identify and move toward an event</li> </ul>	●			
<b>LED Panel Light</b>	<ul style="list-style-type: none"> <li>Illuminates call station faceplate</li> </ul>	●			
<b>Switched Grid Power System Ready</b>	<ul style="list-style-type: none"> <li>Leverages part-time power available from an outdoor lighting system</li> <li>Eliminates costly trenching for buried power cabling</li> </ul>	○ (Only compatible with the PCS-42-6)	●	○	N/A
<b>Wireless / Solar System Ready:</b>	<ul style="list-style-type: none"> <li>Enables a blue light tower to be installed in a location without easy access to hardwired communication and/or power lines</li> </ul>	○	○	○	N/A
<b>Fixed Camera Option</b>	<ul style="list-style-type: none"> <li>Captures video surveillance for call station activation from pre-roll (i.e. person approaching blue light tower) to end of event</li> </ul>	○			
<b>Single Overhead Camera Option</b>	<ul style="list-style-type: none"> <li>Captures overhead video surveillance for situational awareness of the local area around the blue light tower</li> </ul>	○			
<b>Dual Overhead Camera Option</b>		○			
<b>Area Light Option</b>	<ul style="list-style-type: none"> <li>Surrounds the blue light tower with light</li> <li>Enhances the sense of safety</li> <li>Deterrent</li> </ul>	○			
<b>Mass Notification</b>	<ul style="list-style-type: none"> <li>Built-in Wide-Area Emergency Broadcast System (WEBS®) to alert and notify a public area</li> </ul>	○ (Only through retrofit kit)	N/A	○ (Only through retrofit kit)	●
<b>Built-in Handheld Microphone</b>	<ul style="list-style-type: none"> <li>Provides capability to make local public address (PA) announcements</li> </ul>	N/A	N/A	N/A	●
<b>Limited Warranty</b>	<ul style="list-style-type: none"> <li>5-year limited warranty on non-electronic components</li> <li>2-year limited warranty on lighting components</li> </ul>	●			

● = Standard    ○ = Option available    N/A = Not Available
